Graduated

Experience

Shinhan Bank | shinhan.com.vn

Website Developer

Ho Chi Minh City, Vietnam

January 2023 - June 2023

Website Developer Intern

October 2022 - December 2022

- Collaborated with team members to ensure web designs aligned with brand guidelines and provided an optimal user experience.
- Developed and tested responsive, user-friendly landing pages and loan application pages.
- The landing pages attracted **400K views per day, with 2% of visitors applying for a loan.**

Technologies: HTML, CSS, and JavaScript

Technical Skills

- **Languages:** Python, JavaScript, HTML, CSS
- **Front-end Framework:** ReactJS
- **Backend Framework:** NodeJS + Express
- **Developer Tools:** Git (version control), Visual Studio, Microsoft Office Applications
- **Databases:** MongoDB, SQL(MySQL)

Personal Project

Full-Stack E-Commerce Web Application

- Developed a full-stack e-commerce web app with features for browsing, searching, managing a cart, and secure checkout.
- Built a responsive front-end with React.js and TailwindCSS and a Node.js backend with MongoDB for inventory, authentication (JWT), and orders.
- Optimized performance and user experience with secure authentication, reusable components, and mobile-friendly design.
- Technologies: HTML, TailwindCSS, JavaScript, React.js, Node.js, MongoDB.

Front-End Doctor Appointment Booking Web Application

- Developed a responsive, user-friendly doctor appointment booking web application using React.js.
- Designed an intuitive UI that allows users to browse available doctors, select appointment slots, and book consultations.
- Ensured a mobile-friendly and accessible design with reusable components for efficiency.
- Technologies: HTML, CSS, JavaScript, React.js.
